- Puppy Core vaccination series as recommended by your veterinarian, which may include the following vaccines
 - First round of Distemper/Parvo/Hepatitis/Parainfluenza
 - First Rabies vaccine
 - First Bordetella
- “Happy Visits” to help your new friend adjust to the veterinarian
- A gift of a 30-day Trupanion Insurance plan
 - Offer available on request. Must be initiated by owner within 24 of the offer being extended
- One additional Urgent Care or Office visit
- Discount on Lyme, Lepto, Canine Influenza vaccines
- Up to 3 intestinal parasite fecal tests (*up to 2 fecal floats and 1 fecal with direct smear*)
- 3 nail trims
- First dose of Heartworm, flea and tick prevention or Nexgard Plus
- Microchip placement and lifetime registration (Home Again)
- Spay or Neuter (*Includes pre-surgical bloodwork, heartworm test, pain medication and e-collar. Does not include, cryptorchid, hernia repair or baby teeth extraction fees*)
- Additional 10% discount on other products and services (*food and grooming not included*)
- Monthly payments of \$68.33 for 12 months
- Over a \$300 savings
- Total cost of plan is \$820
- One time enrollment fee of \$49.00 (Waived if paid in full)

*** Financing of your puppy’s wellness plan is available through PAYMENT-BANC. This is an auto draft of your monthly payments from your checking account. We will process your application (*no hard credit check*), have you sign and date the contract and send it to PAYMENT BANC. All further questions or concerns regarding payments should be made with PAYMENT BANC 1-888-758-0583.**

***** I acknowledge that my pet’s account at Dakota Pet Hospital must stay current to receive wellness plan services. Any unused services will be forfeited if not used within the first 12 months of the date Puppy Plan begins. I recognize that I have until my pet’s second visit to sign up for the Wellness Plan. Puppies enrolled at their second visit are not eligible for financing through Payment Banc and the plan must be paid for in full *** Adult services not included**
